**Educational Activity:**

**COLLECTION:** The collection of materials that are included for recycling and/or for disposal are included during discussions and presentations regarding solid waste and are often noted in newspaper articles.

**DISPOSAL:** Proper disposal of solid waste is routinely included in all presentations done by SWC. Presentations were done at the following elementary schools during 2001. Providence, Pilot View, and Strides Station.

**RECYCLING/REDUCTION:** Presentations were done by the SWC at the following schools which included a demonstration of waste reduction through recycling. Providence Elementary School, Strodes Station Elementary School, and six different classes during the Pilot View Elementary School Science Fair. All schools in Clark County participate in the telephone book recycling contest in February. 575 kids attended two days of 4H environmental education held at Wesley Woods Church Camp in May. Topics included recycling. Several articles included in this annual report were taken from the local newspaper that promotes local recycling events. The Future Farmers of America (FFA) assist during the Spring and the Fall Steel/White Goods Recycling Events. Several school groups have visited these events to learn first hand about recycling. Homemakers collect and recycle pop can tabs to benefit the Children's Miracle Network.

**OPEN DUMPING/LITTERING:** Illegal dumping and littering are topics that are routinely included in presentations conducted by SWC. Presentations were done by the SWC at the following elementary schools in 2001. Providence, Pilot View, and Strides Station. The 4H Environmental Camp also includes topics concerning illegal dumping and littering. 575 kids attended the two-day camp in 2001. Numerous articles in the local newspaper cover illegal dumping and littering. The high school and several other schools participate during the community litter cleanup and learn first hand about the problems associated with litter.

**ENFORCEMENT:** When violations occur and are investigated, the responsible party becomes educated about the laws and regulations regarding solid waste disposal.
